# 说明

## 学年

每学年开始于九月,结束于次年八月。2011年(含)起,每学年包括两个长学期和一个暑期学期,长学期有16周的规定课程,短学期有4周的规定课程;2011年之前,每学年包括两个学期,每学期有18周规定课程。

## 考核与记分方式

考核根据课程类别分为考试和考查两类,其中考试课程的记分方式为百分制或等级制,考查课程的记分方式为合格/不合格(Pass/Failure)两级制。详细注释如下:

1. 从2005届毕业生起,我校成绩记录不再使用五级记分制(优秀、良好、中、及格、不及格),已计入的成绩参照附表进行折算:2004届(含2004届)以前学生成绩仍按原记分方式执行,同时由学校出具的中英文成绩证明中成绩折算方法也不做调整,具体参照附表;
2. 考查课程不计入平均积点,但计入总学分,考查课程总学分达不到培养计划要求不能毕业;
3. 自03届毕业生起部分课程为双语或英语授课(双语或英语授课课程不另标注),03届以前所有课程除英语、日语等语言类课程外均采用中文授课;02届以前(含02届)毕业生如果英语从二级开始修读,对应英文成绩单英语提高一级;
4. 学时、学分与GPA:2011年(含)起,16学时=1学分;2011年之前,18学时=1学分; $GPA = \Sigma(\text{学分} \times \text{积点}) / \Sigma \text{学分}$ ,教务处不受理GPA公证。

## Explanatory Notes

### Academic Year

The academic year of the university begins in September and ends in August of the following year. From the year of 2011, it includes two long semesters and one summer semester, each long semester has sixteen weeks of scheduled classes, summer semester has four weeks of scheduled classes. Before the year of 2011, it includes two semesters, each semester has eighteen weeks of scheduled classes.

### Score-Transformation Rules For Undergraduate Courses of SJTU

1. For students graduated in 2005 or after, some courses are graded by the "Pass/Failure" grading system, and others are graded by the hundred-mark system. The Chinese five-level score system (优秀 excellent, 良好 good, 中 fair, 及格 pass, 不及格 failure) is no longer in force. The transformation rules are illustrated in the attached chart. For students graduated in 2004 or before, the transformation rules are unchanged.
2. The grade point average does not include the courses graded by the "Pass/Failure", but the credits of these courses are added to the total credits. For graduation, students need to accumulate the required credits, as specified for each program.
3. For students graduated in 2003 or after, some courses are taught bilingually or in English; for students graduated in 2002 or before, all the courses were taught in Chinese language only, except for language courses such as English courses, Japanese courses, and so on; For students graduated in 2002 or before, the score of English is improved one level if he or she studies English from Band 2.
4. From the year of 2011, one credit is designated for one lecture hour per week for 16 weeks; Before the year of 2011, one credit is designated for one lecture hour per week for 18 weeks;  $GPA = \Sigma(\text{course credit} \times \text{point}) / \Sigma \text{course credit}$ , Academic Affairs Division does not verify students' GPA.

上海交通大学  
SHANGHAI JIAO TONG UNIVERSITY

本科生在读证明  
STUDY CERTIFICATION FOR UNDERGRADUATE

兹有 孔令坤 同学，性别 男，1996年2月12日生。现为上海交通大学电子信息与电气工程学院计算机科学与技术专业在读本科生，2014年9月注册入学，学号为5140219016，预计2018年6月 毕业。

特此证明。

(本证明不适用于申领护照和港澳台通行证，有效期至2018年2月25日止。)

This is to certify that Mr.Kong Lingkun , born on February 12,1996,is an undergraduate student in School of Electronic Information and Electrical Engineering majoring in Computer Science and Technology from September 2014 to present .His student ID No.is 5140219016 and he is expected in June 2018 graduation.

(This certification is valid until February 25,2018,but it is not useful for the application for passports and the People's Republic of China Exit-Entry Permit for Travelling to and from Hong Kong,Macau and Taiwan.)

上海交通大学致远荣誉计划  
ZHIYUAN HONORS PROGRAM

## Zhiyuan Honors Program Certification

To whom it may concern,

I write this certification in reference to Mr. Lingkun Kong, who undertakes the Zhiyuan Honors Program of Engineering from 2015.03 to 2018.06. Zhiyuan College, within Shanghai Jiao Tong University (SJTU), is an institute that provides Elite-education for exceptionally talented students. It aims at training them to become future leaders in science and technology. The College is directly funded by the Chinese Ministry of Education. In addition, an oversight committee consisting of world-class scientists designs training programs and curricula to reflect current development in science. The college also has the best instructions, often invited from abroad, to teach and to provide a solid training to our students.

In order to be admitted to Zhiyuan College, a student must be on the top of more than 17,000 undergraduate students within SJTU. The engineering program enrolls about 100 students per year and is highly selective: applicants are usually in the top 5% of their majors, score highly on standardized tests, and consistently demonstrate outstanding achievement in academics, leadership and service. Students take specially designed honors versions of courses, seminars and experiments. They are encouraged to work closely with professors in research laboratories and study abroad extensively. For their Honors Thesis they complete an original piece of research under the mentorship of a faculty member. Honors graduates typically go on to prestigious graduate and professional schools.

Yours sincerely,

彭志科

Zhike Peng
